

CONSORTIUM ON ASSET MANAGEMENT 2027

15 April

St. John's College
Cambridge, England

This Consortium is designed for those who are currently working on research in asset management and related topics. Priority will be given to researchers who have received their doctorates within the last five years and with at least one co-author in a Europe-based school(s).

The editors of *Financial Management (FM)*, the flagship journal of FMA International, will be apprised by the conference program committee of papers that the committee assesses to be of particularly high-quality. [Click here for the full statement.](#)
