

# Call for Papers and Participation

## 2018 Asia/Pacific Conference 16 - 18 May 2018 | Hong Kong

FMA International is pleased to announce its **10th Asia/Pacific Conference in Hong Kong with keynote speaker David J. Denis**, Roger S. Ahlbrandt, Sr. Chair and Professor of Business Administration at the University of Pittsburgh.

FMA's Asia/Pacific Conference brings together academicians and practitioners with interests in financial decision-making and provides a forum for presenting new research and discussing current issues in financial management and related topics.

Presentations of research papers, panel discussions, and tutorials will begin Thursday morning and end Friday afternoon. The Doctoral Student Consortium will be held on Wednesday.

We seek strong papers from scholars in all fields of finance. The selection criteria includes the nature of the research problem, implications of the proposed research, the quality of the research design, and the expected contribution of the research to the literature.

### Doctoral Student Consortium on Wednesday, 16 May 2018

Doctoral Student Consortium includes a panel session with distinguished scholars discussing the latest advances in research and offering career advice. The afternoon breakout sessions give participants the opportunity to present job market papers or dissertation proposals and receive feedback from the faculty and panelists. Accepted participants receive complimentary conference registration. **Applications due Friday, 9 February 2018.**

### About The Hong Kong Polytechnic University

In addition to being a global financial hub, Hong Kong offers a vibrant blend of architecture, culinary experiences, culture, arts, shopping, rich natural areas, and iconic landmarks. The conference host, The Hong Kong Polytechnic University (PolyU), is the largest government-funded tertiary institution in Hong Kong, with over 32,000 full-time and part-time students. PolyU offers a wide range of courses which directly meets industrial, commercial and community needs. The outstanding performance in knowledge transfer contribute to the advancement of businesses and industries. PolyU ranks 6th in *QS Top 50 Under 50* in 2017, and 20th in *Times Higher Education's Young University Rankings 2017*. Apart from being a close partner of business and industry, PolyU has strong regional and global connections. It is weaving a growing and increasingly effective global network which further facilitates its educational and research development, as well as enhancing its academic and cultural exchanges.
