ADVENTURES

Welcome to Kristiansand

Kristiansand is a region at the southern tip of Norway. Stretching from the high mountains to the «skjærgård» and beaches. Within 2 hours from the city and UIA campus, you can experience climbing, mountain culture, possible have a look at a reindeer or moose. Close to the city, spend a day in the zoo and activity park or have a go at the different costal experiences.

The city has a friendly atmosphere, where you can stroll along the all straight streets via art galleries, fish market, speciality shops and different landmarks.

A region on the edge.

From the highest mountains to the nicest beaches.

1. Via Ferrata : mountain, safe climbing Valle in Setesdal
A two hours drive from the city. Suitable for the whole family
(from 10 years)

<https://www.viavalle.no>

2. Moose farm : Byglandsfjord in Setesdal. Here you can say
hello and feed the local moose family. (on the way back from
the viaferrata)

<https://www.elgtun.no>

3. The Pulpit rock: About a 2.5 hours drive towards Stavanger.
The pulpit rock is famous for its scenery, the fjords and the
high mountain. Se link for directions
